

Procurement of Information Systems (Design, Supply and Installation): ICT Systems for Public Access to Judicial Information

CMIS

1. BASIC PROJECT INFORMATION

Official Project Title	Procurement of Information Systems (Design, Supply and Installation): ICT Systems for Public Access to Judicial Information
Acronym / Short Name	CMIS
Programme / Funding Source	Millennium Foundation of Kosovo (MFK)
Duration	03.2022–09.2022
Coordinator	Millennium Foundation of Kosovo (MFK) / Kosovo Judicial Council
Partner Institutions	Kosovo Judicial Council; Kosovo Prosecutorial Council; Ministry of Justice

2. PARTICIPATION OF UNIVERSITY SKOPJE ACADEMIC STAFF

Name and Surname: Sime Arsenovski

Academic Title: Full Professor

Role / Function in the Project: Consultant, e-learning expert

Specific Contribution to the Project

Support for the implementation and use of the Case Management Information System (CMIS), including the Online Data Platform, Case Tracking Mechanism, improvement of the quality and publication of court decisions, and public communication activities.

3. CONTENT AND ACHIEVED RESULTS

Brief Project Description

The project supported the Kosovo Judicial Council, building on previous assistance from USAID and Norway, in the implementation of the Case Management Information System (CMIS) and its use to improve the administration of justice and the transparency of rule-of-law institutions. The project also supported the Kosovo Prosecutorial Council and the Ministry of Justice in improving communication with the public. The main activities included the creation of an Online Data Platform for public access to statistical data from CMIS, an online Case Tracking Mechanism for authorised users, improvement of the quality and publication of court decisions, and support for public dialogue on the work of the judiciary.

Key Results / Outputs

Online Data Platform; online Case Tracking Mechanism; improved publication of court decisions; improved communication with the public.

Publications / DOI / Other Relevant Scientific Results
