Programme / Funding Source	World Bank
Duration	03.2009–05.2009
Coordinator	Ministry of Education and Science / Bureau for Development of Education
Partner Institutions	Primary schools in the Republic of Macedonia

2. PARTICIPATION OF UNIVERSITY SKOPJE ACADEMIC STAFF

Name and Surname: Sime Arsenovski

Academic Title: Full Professor

Role / Function in the Project: Consultant, Author

Specific Contribution to the Project

Establishment of project organisation; design of a dedicated software tool for organisational roles and rules; selection and coordination of more than 100 key persons; development of materials; organisation and delivery of training; evaluation and reporting.

3. CONTENT AND ACHIEVED RESULTS

Brief Project Description

Within the education modernisation project, more than 2,000 primary-school teachers were trained in advanced educational technologies, including Edubuntu. The engagement included establishing the project organisation and designing a dedicated software tool for defining organisational roles and rules. More than 100 key persons were selected and coordinated, including authors, coordinators, trainers and quality controllers. Training materials were prepared and on-site training sessions were organised and delivered. The project also included evaluation of the results and preparation of project reports.

Key Results / Outputs

Training of more than 2,000 primary-school teachers; coordination of more than 100 key persons; materials; project tool; evaluation; reports.

Publications / DOI / Other Relevant Scientific Results
