2. PARTICIPATION OF UNIVERSITY SKOPJE ACADEMIC STAFF

Name and Surname: Sime Arsenovski

Academic Title: Full Professor

Role / Function in the Project: Author, Academic Staff

Specific Contribution to the Project

Financial management; business analysis; process modelling; delivery of training.

3. CONTENT AND ACHIEVED RESULTS

Brief Project Description

The main objective of the VICES project was to establish a videoconferencing service, provide technical support for distance learning, and develop educational and organisational methodologies for using videoconferencing systems for educational purposes in a multilingual distance-learning environment. The contribution included financial management, business analysis, process modelling and delivery of training. The project combined communication technologies with educational methodologies and institutional processes, supporting the sustainable use of videoconferencing for teaching and learning in partner institutions in Europe and the Western Balkans.

Key Results / Outputs

Videoconferencing service; educational and organisational methodologies for distance learning; process models; training.

Publications / DOI / Other Relevant Scientific Results
