Article 2

The Board for Cooperation and Trust with the Public has the following tasks:

- It reviews and provides an opinion on the social justification of the study programs of all study cycles implemented by the higher education institution.
- It reviews and provides an opinion on the content and descriptors of study programs, with the aim of their compliance with: the needs of society, the labor market, as well as professional and expert standards.
- It provides an opinion on the role of the latest scientific and professional knowledge in the acquisition of knowledge, skills and competencies through study programs.
- It reviews and provides an opinion on the social justification, content, meaning and goals of the scientific research and applied (applicative) projects implemented by the higher education institution.
- It examines and provides an opinion on the ethical aspects of scientific research and applied activities.

- Makes recommendations to the competent authorities of the higher education institution based on the issues considered.

Article 3

The Board for Cooperation and Trust with the Public carries out its work based on the Rules of Procedure of the Committee for Trust, which it adopts on its own.

Article 4

The Board is constituted by holding a first (constitutive) session. The constitutive session is convened by the Dean of the Faculty of Computer Science . The Board begins its work when the mandate of the members is verified. The Dean chairs the board session until the election of the President of the Board by a majority vote of the members of the Board, after which the President of the Board chairs it.

DEAN

Prof. PhD. Lidija Gorachinova Ilieva

In Skopje, 25.10.2018
